

Best for the World

Lyrics sheet

There are so many people living in this world
Each day that comes
More boys and girls
Grandmas and grandpas
Lots of poorer folk too
Is there enough food
For me and you?

Rice and potatoes, fruit and corn
Plants we consume
More and more
Fuel for the cars
And fuel for power
Are we killing the earth
In its final hour?

Living, sharing, giving and caring
Are you doing your best for the world?
Are we doing our best for the world?

So stop for a moment
Think about the time
When no-one could fly
Or go on-line
Is life so much better
Than it was before
In the years long ago
When men went to war?

Living, sharing, giving and caring
Are you doing your best for the world?
Are we doing our best for the world?
Living, sharing, giving and caring
Are you doing your best for the world?
Are we doing our best for the world?

Instrumental

Am I doing my best for the world?
Am I doing my best for the world
Am I doing my best for the world?
Am I doing my best. . ?
