

I Love Summer

Song sheet

Running and splashing and jumping in the sea
Big waves are rolling they can carry me
The water is salty
But it's nice and cool
At the seaside we have fun

Building a castle
Doing things with sand
The beach is our playground
To the end of the land
The sun it is shining
The water is nice and cool
At the seaside we have fun

I love summer
Long hot summer
At the seaside we have fun

Swimming and cycling and playing all day long
Licking an ice-cream so sweet on my tongue
School days are over
For a month or two
At the seaside we have fun
