

Robin Hood's Band

Words

His home is Sherwood Forest
He lives outside the law
He takes money from the rich
And gives it to the poor

He always tricks the Sheriff
His arrows never stray
Listen to his merry men
For this is what they say

Robin Hood, Robin Hood
The boldest in the land
Robin Hood, Robin Hood
And we are in his band
(twice)

He fights against injustice
Corruption and deceit
He loves his Lady Marianne
With her he's kind and sweet

He always tricks the Sheriff
His arrows never stray
Listen to his merry men
For this is what they say

Robin Hood, Robin Hood
The boldest in the land
Robin Hood, Robin Hood
And we are in his band
(twice)
