Teams verse

INSTRUMENTAL in E

One team's attacking
One team's defending
Tell me what's this sport?
Not hockey or cycling
Not baseball or boxing
You play it on a court
Bounce the ball and throw it fast
Make sure your aim is true
One team's attacking
One team's defending
So tell me what's this sport?
Tell me what's this sport?
Tell me what's this sport?
