

Words for Time, Time for Words

Verse 1

Point your arms
Like a clock on the wall
One is short one is long
Minutes make hours
And days make weeks
Words for time in a song

Chorus

Monday is Tuesday and Wednesday's here
Seven days a week, fifty-two in a year
Thursday and Friday and Saturday
Saturday and Sunday, it's Monday, school day

Verse 2

What's the time?
What's the date?
What's the year?
Tell me when and how long?
Words for time and time for words
Round and round in a song

Chorus

Monday is Tuesday and Wednesday's here
Seven days a week, fifty-two in a year
Thursday and Friday and Saturday
Saturday and Sunday, it's Monday, school day

Middle section

It never stops
It's never wrong
It keeps moving
All the time

Repeat first verse and chorus twice.
